OF THE
AUSTRALIAN CAPITAL TERRITORY**

NOTICE TO PRACTITIONERS

Possible interruptions to in-custody transfers

There are two in-custody lifts that ordinarily service the Magistrates Court. One of the lifts requires urgent maintenance and will be unavailable for use during February 2024. This will reduce the capacity of the ACT Magistrates Court to facilitate in-custody transfers and may result in possible interruptions to Court operations during this time. There will be changes to the court rooms ordinarily utilised for criminal lists to facilitate the requirements for in-custody transfers.
