Program/publication:

**Recording/broadcasting request details**

Why are you seeking to record/broadcast the proceedings:

How will the recording/broadcast be used (include air/publication date):

Please detail pooling arrangements (that is, arrangements to share footage with other media outlets), including whether the broadcast is proposed to be live or delayed:

**SUPREME COURT  
OF THE  
AUSTRALIAN CAPITAL TERRITORY**  
**Application to record/broadcast a sentence decision**

**Recording/broadcasting practical details**

The following requirements apply unless the presiding Judge orders otherwise:

- a. no more than one television camera;
- b. no more than one stills photographer;
- c. no more than one microphone operator and no obtrusive microphones or wiring;
- d. no moving equipment when the court is in session;
- e. no distracting sounds or lights;
- f. no disruption to proceedings;
- g. no public expense to install, operate, or remove modifications to existing sound and lighting systems;  
and
- h. no media organisation insignia or marking on recording equipment.

What equipment, and number of crew, is proposed to be in court:

**Undertaking**

I, the applicant, undertake that if the court permits this application, I will abide by:

- any relevant legislation;
- any orders made by the Court; and
- Practice Direction 1 of 2023, including the prohibition on filming, audio recording or publication of any persons other than the Judge.
